

Advertise Summer 2009

Warm weather is almost here and it's time to think about advertising in the Original Irregular's summer publications for the greater Rangeley Lakes area & the mountains and lakes from Sugarloaf to the Forks. We feature stories on area events, outdoor recreation, people, history and things to do. Maine's Western Mountains will be hopping with festivals, music events and outdoor recreation this summer ~ these are the publications that people turn to when they want to know what events, shops, restaurants, lodging and other services are available in the area.

~ **12,000 copies of each guide are printed** ~

Our guides are distributed throughout the summer to area chambers, all Maine Tourism Association outlets, as well as local businesses. We also mail them to our 3,500-plus Irregular subscribers, many of whom are out-of-state and own second homes in the area.

Call 265-2773, or e-mail irregular.ads@tds.net
for rates and info on this and our other publications.

Advertising Deadlines

Rangeley Summer Guide, Friday, April 24 • Maine Mountain Summer Guide, Friday, May 15
