

It's time to upgrade your lawn equipment with a mighty Husqvarna tiller or lawn tractor!

ELSIE:

Engineered for chewing her cud. Not designed for comfort or style. Packs down soil rendering it unworkable.

650RTT TILLER:
Rear tine, counter-rotating tiller with ability to turn even hard-packed earth into workable soil.

2042LS LAWN TRACTOR:

Engineered for added durability, comfort, style and precision! Designed with the operator in mind to make "work" a lot more fun and comfortable!

District Public Speaking Champs

Earlier in the month, all MSAD #58 elementary school public speaking winners participated in a district-wide public speaking competition at the Strong Elementary School. This year, Phillips school participant Sadie James (right) won. Jill Howard of Stratton came in second place and Arthur Ryan (left) of the Strong school finished third. About 40 to 50 people were in attendance watching these very talented speakers. (Submitted photo)
