

Bulbs available through FCSWCD

FARMINGTON — It's not too early to think about fall plantings. Franklin County Soil & Water Conservation District is offering a variety of bulbs for sale. Items include tulips, daffodils (narcissus), day lilies, crocus and extra hardy German Garlic.

For a copy of the bulb brochure, pricing and more details on these offerings visit the district's Web site at www.franklincswcd.org.

The district is also listing items available for the 2010 shrub sale online with a newly designed shrub brochure with pictures of various items. For details, go to www.franklincswcd.org.

Bulb orders are due by Aug. 10. Bulbs will be available for pick-up in early September.

Contact the District office at 778-4279 or info@franklincswcd.org with questions.

Ladies'/Community Breakfast set

RANGELEY — The next Ladies'/Community Breakfast, with everyone invited to attend, will be on Wednesday, July 8 at Gingerbread House starting at 7 a.m., and as always bring all your family and friends.

Anyone who has a special dietary need is urged to call in advance so restaurant staff can try to accommodate their needs. For more information, call 864-3602.

Hendersons celebrate 50th

RANGELEY — About 150 family and friends gathered Saturday, March 21 at the Club House to celebrate the 50th wedding anniversary of Lee (Pete) and Mary Henderson of Stratton.

Pete and Mary were married on March 20, 1959 in Stratton. Their wedding took place in the same house in which they currently live in Stratton.

After a buffet luncheon, the group enjoyed a beautifully decorated anniversary cake made by Linda

Henderson. The couple's daughter, Sheila, made a toast to their marriage calling it a love story. Arrangements for the celebration were made by the couple's children, Sheila Raymond of Rangeley, Holly Taylor of Eddington and Kandi Henderson of Stratton.

The couple now looks forward to celebrating their 50 years of marriage by taking a tour across the United States to include a cruise to Alaska.
