Kids' hayride help wanted

OQUOSSOC — The Holly Days Committee recently announced that it is still looking for folks to join in and make the Magic Christmas hayride special for the kids. The hayride will be on the Sunday of Holly Days, Dec. 13 from 11 a.m. to 1 p.m. throughout the village of Oquossoc.

The committee is looking for folks to set up simple vignettes along the route. "At the moment we have only one! We are told that miracles happen at Christmas, please help make this one come true!" a spokesperson for the committee said.

Contact Marlene Knowles at Rangeley Lakes Builders Supply-864-5644, marleneknowlesrlbs@hotmail.com for more information.

"Won't take much time and will be worth every minute!" the spokesperson concluded.

"I told everyone, that in the 25 years that I've coached at Mt. Abram, this is the best group of freshmen that I have ever had. The future and the next four years are looking very good with the players I have coming up."

Lisherness said that he has two freshmen who'll start for him and two who'll be point guards. He said that freshmen Tori Beane and Mykayla Luce will be sharing duties as point guard, with Beane being the starter. Also freshmen Miranda Smith is expected to be one of the starting five.

"We're so young at the varsity level," Lisherness said. "It going to take one-half to three-quarters of the season to come together and the freshmen just doesn't have experience to play at the varsity level and many others also lack in the experience needed to compete in this conference."

Kylie Rolbiecki will be the only returning starter from last year. Injuries have sidelined Mykayla Burbank from a return to start the season.

Lisherness said he is also looking for contributions from Amanda Richards and Heather Campbell this year as some of the older players.

"It's going to take a while and we'll need to be patient as we go through this. We are a young team and we do have potential down the road. As a young team we should all notice that they will improve considerably."

The Lady Roadrunners kick off their season at Dirigo on Dec. 5 with the junior varsity action starting at 5:30 p.m.

They'll host their home opener on Dec. 11 against Winthrop. Coach Lisherness said he enjoys the challenges ahead and working with this young team and seeing them grow over the next few years. "Absolutely, I can't wait for Saturday's game," Lisherness said.
